We all seek to improve ourselves: to live better and to be better people. We seek peak performance and a life in alignment with our values, still none of us are perfect. We could all use a little help! Our Planet has provided us with an abundance of gifts. Our intention, at *Steding & Sons*, is to combine the best of these gifts and support our beautiful, imperfect community. We intend to provide the perfect supplements for imperfect people.

Allied Forces are potent combinations of the world's best functional mushrooms, and other natural ingredients. Like a good team, synergistic components ally to produce results greater than the sum of parts included. *Steding & Sons Allied Forces*, like a great teammate, will help our consumers facilitate their own unique potential.

Sometimes, we drink a little more than we should, so there's **NonAss!**
Our brains need high octane fuel; ignite the mind with **Lightspeed Laserbrain!**
We aren't as kind as we should be. We just need a mood boost. **Boom Chaga Laka Laka!**
Stress and overwork can be fatiguing. Fortify with **Siberian Steel!**
A once helpful habit no longer serves us. Kick it to the curb with **Jumpkicker!**
We toss and turn at night. We need a restful break from legs that shake - **Lazy Legs PM!**

We are very proud to present the introductory line of *Steding & Sons Allied Forces* and hope you and your customers will love them as much as we do. We are grateful for the privilege of sharing them. We hope these products will help facilitate your best intentions and support healthy choices! All ingredients are legal in all 50 states and worldwide! We hope *Allied Forces* will play a small role in making our world better.

Thank you so much for the opportunity,
